Working Together for a Better Community

Welcome to Northeast Neighbors!

Become a member of our non-profit and all-volunteer group and help improve the quality of life in our neighborhood and city. Safety is a focus of our work this year and we feel strongly that one of the best ways to build a safer neighborhood is to know your neighbors.

We keep our members informed about City and State issues via email and monthly Zoom meetings with speakers who are experts, elected officials, City staff and local activists.

Join us and learn what's *really* going on behind the headlines.

To become a member or renew your membership either mail a check with the form below or join by Paypal or credit card at our website: www.neneighbors.org
